No Hard Feelings

No Hard Feelings can be found in Chapter 5: The Escape, play through the level until you come to the conveyor belts carrying droids to the incinerator. Use a portal to get onto the conveyor belt and walk it until a droid with a working laser beam appears. Pick it up for the No Hard Feelings Achievement /Trophy.

Frequently Asked Questions

You've got questions, we've got answers. If you need help with something you didn't find in our guide, we can still help you.

If your problem isn't addressed, feel free to edit this page in the correct format and someone will try to answer as soon as possible.

Does Portal 2 have multiplayer?

Portal 2 does not have competitive multiplayer, but it has a cooperative multiplayer mode in which two players can play through a completely different game -- the puzzles require two portal guns!

Can I play splitscreen co-op?

Sure! If you are playing the game on PlayStation 3 or Xbox 360 its easy. If you are playing on PC, listen to *Hessian's* advice: You just need at least 1 controller that is compatible with a PC. Even though there's no "button" on the PC version to do it, it's still possible, it's just sort of hidden.

Achievements / Trophies

There are 50 Achievements (on Steam and Xbox 360) and 51 Trophies in Portal 2. The 51st Trophy is a Platinum for getting all of the other Trophies.

20G

Air Show

Perform 2 aerial gestures before touching the ground in co-op

10G

Asking for Trouble

Taunt GLaDOS in front of a camera in each of the five co-op courses

15G

Bridge Building

Complete all test chambers in the Hard-Light Surfaces co-op course
